In addition to the items listed above, the person selected for this position must provide documentation to satisfy the following requirements:

§ 121.45 Management Personnel Required.	
(e)	The individuals who serve in the positions required or approved under paragraph (a), (b) or (c) of this section and anyone in a position to exercise control over operations conducted under the operating certificate must—
(1)	Be qualified through training, experience, and expertise;
(2)	To the extent of their responsibilities, have a full understanding of the following materials with respect to the certificate holder's operation:
(i)	Aviation safety standards and safe operating practices;
(ii)	GACAR;
(iii)	The certificate holder's operations specifications;
(iv)	All appropriate maintenance and airworthiness requirements of the GACAR; and
(v)	The manual required by GACAR § 121.139.
(3)	Discharge their duties to meet applicable legal requirements and to maintain safe operations.

GACAR § 119.43 Issuing or Denying a Certificate.	
(b) An application for a certificate may be denied if the President finds that—	
(1)	The applicant is not properly or adequately equipped or is not able to conduct safe operations.
(2)	The applicant previously held an AOC or OC that was revoked;
(3)	The applicant intends to fill or currently fills a key management position listed in GACAR Part 121 or 135, as applicable, with an individual who exercised control over or who held the same or a similar position with a certificate holder whose certificate was revoked, or is in the process of being revoked, and that individual materially contributed to the circumstances causing revocation or causing the revocation process; and
(4)	An individual who will have control over or have a substantial ownership interest in the applicant, had the same or similar control or interest in a certificate holder whose certificate was revoked or is in the process of being revoked, and that individual materially contributed to the circumstances causing revocation or causing the revocation process.
